

RENEGADE FIVE

Renegade Five is Per Nylin; lead vocals, Hakan Fredriksson; keyboards, Per Lidén; guitars, Harry Kjorsvik; bass and Peter Damin; drums.

We formed in Karlstad, Sweden, in 2005. Today, we are signed to Bonnier Amigo and recently finished a tour supporting Sunrise Avenue, performing in Los Angeles at the legendary Viper Room and The Whiskey a Go Go.

Our music is powerful hard rock with strong melodies.

Per says: "This music is unique for Sweden. We have always dreamed of making this kind of music, as we listened to our favorite American bands. So to finally be here, releasing singles with an album coming up, makes life really exciting right now".

Hakan says: "To be out there in front of a new audience is awesome. Our goal has always been just that: To be on stage, touring!"

Our future plans include promoting the singles this winter in Scandinavia, and release our debut album in April-May 2008. Airus Entertainment, our American management, is busy preparing a bi-coastal US concert tour.

Renegade Five has a busy year ahead. . .

We really want to hear from our fans! Do not hesitate to contact us via our website, Myspace or Facebook. Send photos or video clips from our shows, ask questions, or tell us how you feel about the music.

We love you all!
